Pass Task 6.2 Response page
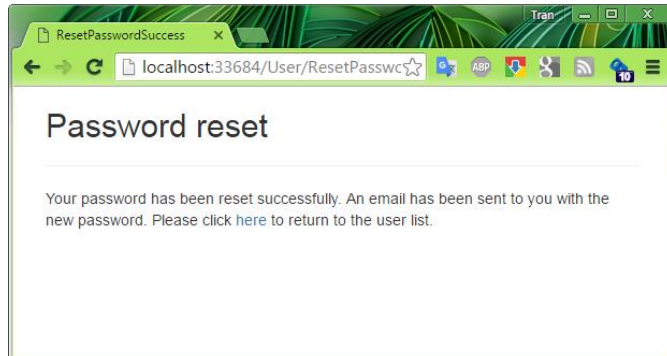

Interface template:

ResetPasswordSuccess .cshtml

```
@{
    ViewBag.Title = "ResetPasswordSuccess";
}

<div class="container">
    <h2>Password reset</h2>
    <hr />

    Your password has been reset successfully.
    An email has been sent to you with the new password. Please click
    @Html.ActionLink("here", "Index", null, new { }) to return to the user list.
</div>
```
